It's a little unrealistic to suggest one should just hire a nanny from the ml minority language or to attend ml Saturday's schools. I guess I can understand it on some level, I mean Arizona's new law certainly points out how clearly racist some can get.

7 Steps to Raising a Bilingual Child

It's not every family that can afford it, or may Good way to start thinking and to outline a bilingual education strategy for parents, proposing the OPL method one parent - one language. As a result, these young athletes are losing energy when they should be increasing it, feeling deterred when they should be motivated, and actually decreasing muscle mass when they need it more than ever. I especially liked the examples from other families as to what worked or didn't work for them.
