three scenarios on which Gantz, Netanyahu, and Lieberman could not settle.

### Israeli legislative election, 1988

On 2 December 2020, the Knesset passed the preliminary reading of a bill to dissolve the current government by a vote of 61—54. The starkest differences between Democrats and Republicans, Dukakis and Bush, were on two issues barely discussed, aid to the Nicaraguan contras and the Strategic Defense Initiative SDI.

### Israeli legislative election, 1988

As a result, the vice president was able to depict his opponent as a dangerous liberal. The splits, the defections, the delusions of grandeur on the parts of some of the players and innumerable mistakes and bad gambles have afforded Netanyahu the best possible starting position.

But that potential could go unfulfilled. There are more players in the game of governing than President Bush and the Congress.

### Lieberman, Arabs and cannabis: pick of the Israeli election campaign clips

It repeats for the next Arab-Israeli politician. But Israel Hayom isn't a niche magazine. Fifty-nine percent said the economic rivals posed the greater threat.

### United States presidential election of 1988

The President was also damaged by charges that his domestic policy lacked vision, and he gained little among the electorate by pointing to his foreign policy accomplishments.

## **1981**

All of them refused without hesitating. Bush was attracted to Quayle because of his youth and his conservative credentials. And come to think of it, here too there is a similarity.
