## Chapter by Chapter Summary of The Everlasting Man by GK Chesterton

Or if we cannot do that, we must try at least to shake off the cloud of mere custom and see the thing as new, if only by seeing it as unnatural. But to persons of a less sanguine temperament it will be immediately apparent that people might wear simple garments, or even highly ornamental garments, without leaving any more traces of them than these people have left.

### The Everlasting Man

Cave drawings, however primitive the style and technique may be, reflect the same fundamental human nature that takes pleasure in reflecting upon what it sees and tackling the challenge of representing it. We should hear nothing then of the injustice of substitution or the illogicality of atonement, of the superstitious exaggeration of the burden of sin or the impossible insolence of an invasion of the laws of nature.

### Everlasting Man, The by CHESTERTON, G. K.

But it has appeared to a good many intelligent and well-informed people quite as probable that the experience of the savages has been that of a decline from civilisation. The furore over the events at Stanford College demonstrate that such attitudes are still alive and well today, even in a supposedly civilised society such as ours.

### In Search of the ~ The Imaginative Conservative

Readers who appreciate the writings of Lewis will want to explore the writings of those who influenced him, including Chesterton.

### Everlasting

But a professor of the future would err in supposing that the Russian army of 1916 was a naked Scythian tribe that had never been out of the wood.

[(Everlasting Man)] [By (author) G. K. Chesterton] published on (April, 2008)

Francis of Assisi and St. And then they are surprised that a great fighting, roaring Irishman is angry at being treated as an inference.

### **The Everlasting Man Summary**

Chesterton claims that reason could not have evolved from nothing, therefore humans must have gotten their reason from a divine being. The very sins that snatched away Helen or Bathsheba have passed into a proverb of private human weakness, of pathos and even of pardon.
