How to Get a 1

Eventually, your iNum can be reached for free from any phone in the world. How to get a toll free number? For some of the recommendations, your phone number might only be free during a free trial period. Our intelligent network provides routing of incoming calls based on specific business needs.

Kall8 : Vanity, 1 800 Numbers, & Toll Free Phone Services

The e-help Desk does not answer account related questions. Get an 800 Toll-Free Number or any Toll Free prefix such as 800, 888, 877, 866, 855, 844 and 833 at 800.

Telephone Assistance Contacts for Business Customers

During the off-hours, the eVoice auto attendant will field any phone calls you receive.

IP Telephony & Toll

Unifies your image If your team is spread out across different cities and working remotely, you can present a unified image to customers with one number and multiple 4-digit extensions for you and your colleagues.
