## St James' Tower, Upton, Somerset

John the Baptist, around 1480 Name of church Photograph grade Year tower built Height Location Description Ref s I c.

## Mells, St Andrew's Church, History & Photos

If this corner was Anglo-Saxon, it was a mighty big building even at that time, and one wonders why so little pre-Conquest work has been noted for Somerset as compared with e.

## Mells, St Andrew's Church, History & Photos

The Institute of Historic Building Conservation. There is also a memorial, designed by , to , who died in in 1916.

## Mells, St Andrew's Church, History & Photos

This free of charge short guide contains details of all the churches we care for in Somerset. TripAdvisor LLC is not responsible for any content on external web sites that are not owned or operated by Tripadvisor.

## The Hidden Churches of Somerset

The village really began to develop after the Norman Conquest, and several decades after the coming of the Normans the church of St Andrew was built. It was upon the Towers that the greatest skill of the Perpendicular builders was lavished. But Venetian and Lombard architects had only baked mud with which to create their cam- panili.

## English Buildings: Chewton Mendip, Somerset

St Mary Magdalene is the regimental church of the Somerset Light Infantry. As you pass through the porch look up at the fan vaulted ceiling.

## Somerset Churches & Cathedrals

The tower may draw attention away from some of the other aspects of the building: a Norman-style buttress appears to cover up quoins of large stones in the Anglo-Saxon manner.
