### What Does The Name Shingu Mean?

By his own account, Shingu's interest in sculpture developed as his interest in abstraction was expanding. Other rumors indicated that it was not at Wakayama Minato, but rather in liquor stores at Hyogo or Nishinomiya. Born in 1937 in Osaka, Susumu Shingu is a well-respected philosopher and poet of nature.

### Sake Tasting Room

Musha did not provide any detailed bibliographic information concerning the source document, and only mentioned that the record was taken from Koutei Nendai ki, from Shingu, Kii, where Shingu is the name of a city that is still being used, while Kii is the old name for the region that mostly overlaps with Wakayama prefecture in present Japan. She's quiet and demure, but also extremely resilient; she seems to deliberately avoid being in the spotlight, and usually hides her emotions. Prizes from National Museum of Art, Osaka, and Hyogo Prefectural Museum of Art at 8th Contemporary Japanese Sculpture Show.
