Your Drug May Be Your Problem, Revised Edition: How and Why to Stop Taking Psychiatric Medications by Peter Breggin, David Cohen, Paperback

. While a doctor may take fifteen minutes to determine the need for a psychiatric drug, the patient may end up taking it for months, years, or a lifetime. I read this book during undergrad.

Your Drug May Be Your Problem

The only book to provide an uncensored description of the dangers involved in taking every kind of psychiatric medication, it was also the first and only book to explain how to safely stop taking them.

Your Drug May Be Your Problem : How and Why to Stop Taking Psychiatric Medications by Peter R. Breggin and David Cohen (2007, Perfect, Revised edition) for sale online

So it is not only dangerous to start psychiatric drugs, it can also be dangerous to stop them. I'm baffled as to why this book isn't better known.

Your Drug May Be Your Problem

While they come down hard negatively on psychiatrists, they exalt the work of psychotherapists.

Your Drug May Be Your Problem

In this litigious society it is important to know what safeguards to have in place to prevent malpractice suits.

Your Drug May Be Your Problem

I read this book and felt - Finally, some doctors saying what I'd been thinking. First of all, who should read this book? Tapering off wasn't successful either.
