Astrology and the Law of Karma

A client remembered being a judge in his

local town and a peacemaker between warring sides! Your karma is to avoid being too rigid.

☐ **Karmic Astrology: Explore Your Past to See Your Fate**

Your departed ancestors Pitras can help solve your problems. The Karma that you have with yourself may concern money, love, relationships, career, business, goals, health, home, security of self, independence, enemies and all kinds of things.

Karma and Astrology

The Seventh House planets or afflicted planets in Libra would epitomize lessons in love or relationships.

Karma and Astrology

As with other water signs, the emotions can be contracted, and restricted. It's a very important planet to understand, as to why you were born and your generation where Saturn was for two and a half years.
