**Schoolhouse last roost for 'The Birds' / Museum among few Bodega sites left from Hitchcock film**

A few men I remember whistling and yelling vulgar things at her.

## The Prairie School

Short brushstrokes; The lines are all short and look almost uncompleted, like a rough sketch. It's also where the Organization for Scientific and Investigative Research, which examines paranormal phenomena, documented apparitions that classified the house as a classic haunt.

**Schoolhouse last roost for 'The Birds' / Museum among few Bodega sites left from Hitchcock film**

The wind had disappeared by morning, and after our breakfast at The Tides, we stripped down to T-shirts. Units We use knots and degrees Celsius as our default units.

## The Schoolhouse Blizzard of 1888

Taylor took us upstairs, which had been home to four owls and was 2 feet deep in bird droppings when the family moved in.

## The Prairie School

What you do not wish to be shown, do not fail to cover.
