## IHB: Indiana Historical Markers by County

Collection of Charlestown-Clark County Public Library.

### Salyersville, Kentucky

The majority of these residents lived in Guilford Township.

### Salyersville, Kentucky

She encountered Captain Richard Wishard of Pleasant Township during her flight and continued north with him eventually working in his home as a domestic for eight years. It was indicated that African Americans were not employed in those industries but worked instead as farm laborers. Bowie, Maryland: Heritage Book, 1994.

### Salyersville, Kentucky

It is interesting that accounts of the Delaneys in the standard county histories do not mention race. Owsley County has one Christian Private school currently operating.

## Early Black Settlements by County

More African American families followed—some coming from Chillicothe, Ohio and Modoc in Randolph County, Indiana.
