## Rossiĭskie politicheskie partii i agrarno

Stavropol'skaiĭ, aĭ, gosudarstvennaiĭ, aĭ, sel'skokhoziĭ, aĭ, ĭstvennaiĭ, aĭ, akademiĭ, aĭ, Marxist theories of nationalisms and nations became historical precursors of modern Nationalism Studies. Abstract The author analyzes theoretical and methodological problems of modern historiography of nationalism.

## Ленинизм и аграрно

Cambridge: Cambridge University Press, 212 p.

## Citation

The author believes that Marxist attempts to classify and typologize nationalisms, to imagine bourgeois nationalisms and nationalisms of the oppressed nations preceded academic classifications of nationalism as civil and ethnic trends and ideologies historically. The author tries to answer the question why the nationalisms of the minor nations are more popular among historians than the nationalisms of the greater nations.
