corrections exam 2 Flashcards

What occurred here was an abuse of the deputies power over an inmate.

Reports

WE WILL NOT communicate to the Office of Internal Affairs that the allegations underlying the proposed suspension issued to Dennis Turner on April 7, 2000, or any other unit employees, have been sustained because the employee engaged in activity protected by the Statute. Despite an exemplary record in prison and his insistence that the gun discharged accidentally, his application for clemency was recently denied.

Idaho State Legislature

Shortly after being restrained, Kitchen stopped breathing and died. As with other types of force, full body restraints can produce unique harm for persons with mental disabilities. The commission may not adopt or enforce a rule that sets the date of appointment of a peace officer at a later date than the date that appears on employment records of the hiring law enforcement agency.

Use of Force against Inmates with Mental Disabilities in US Jails and Prisons

FERGUSON Larry Ramirez was a 32-year-old welder diagnosed with schizophrenia, bipolar disorder with psychotic features, and panic disorder.
