### Phan Rang

Further in the back, a concrete human size statue of a cop standis next to a lion and a tiger.

### Thai Amulets

Local buses go to Phu Quy and Phouc Hou 12km for the Po Re Do tower or the beach resorts 5km. Many Khmer shrines and artefacts stand proof to the claim and constitute major attractions of the province.

### Phranang Place (Ao Nang)

If you wish to use an image from our website with a link back to us,. Next to an immense and severe dark statue stands a tall unfinished concrete pagoda surrounded but derelict buffaloes forever pulling broken carriages.

### Phra That Choeng Chum

You will feel of historical culture all over the place.

### Wat Phra That Chae Haeng (Phu Phiang)

While staying with us we provide buffet breakfast. Ps - as a note, I have lots of photos of this Wat but each one is more than 5MB so I can't upload any, sorry. The first structure is the Wat, it is wide open, with some particularities like 2 emeralds made with stained glass laid on a pedestal in both sides of the Wat.
