## What House Beautiful Magazine Looked Like The Year You Were Born

Take the same tack with the toilet, moving from the top of the tank to the rim, bowl and base.

### Home & Design Magazine

Wilson, who designed most of the furniture, used two stone slabs for the dining table.

### Home & Design Magazine

If you clear them annually of the almost imperceptible grime that builds up, then you won't have to deal with the impossible-to-remove kind that can accumulate if they're left untouched for a few years.

### Home & Design Magazine

Bono developed an eye and a feeling for antique furniture, while Mr. Few changes were ever made.

### Spring

She stretches me to the limit, and then some. Many Lowe's and Home Depot stores rent upholstery-cleaning machines or carpet-cleaning machines with upholstery wands, which will give your sofa and chairs a deep clean. Wash mirrors and the insides of windows.

## 26 Spring Decor Ideas to Freshen Up Your Home

Pieces from her former houses joined furnishings from Sanctuary, a mail-order catalogue that she launched.

## What House Beautiful Magazine Looked Like The Year You Were Born

The tops of cabinets and the fridge may be sticky from grease, so a solution of warm water and dishwashing liquid will work best. A stenciled

leopard print covers the banquette and shell chairs.
