This led to the , which was concluded in the , re-legalizing the importation of opium into China. The association had fifteen members, among them one Indian.

**Course 801: Culture, Subjectivity and Psychoanalysis: The Politics of (Secret) Selves in Colonial India — Centre for the Study of Culture and Society**

The memoir of the two meetings of the Indian Psychoanalytical Society at which Girindrasekhar Bose, the Society's president, read the original English version of this publication, stated that the participants preferred to delay discussion until the next meeting; but that a discussion seems never to have occurred. What conceptual displacements are necessities to address aboriginality? In the course of his work as an independent theorist, Daly elaborated his views on menstruation in great detail and included a range of psychoanalytical, literary, art historical, political, mythological and anthropological literature in support of his arguments.

**Colonial India**

From the very beginning Daly left no doubt about his value judgements on Hindus. Historical, political and biographical information was obtained from secondary literature.
