PMID: 25347697 Free PMC article. Policy-Making in the National Health Service: A Case Study of the Leeds Regional Hospital Board. Psychiatric Treatment in the 1980s and 1990s.

The British National Health Service 1948

London: Stationery Office for the Nuffield Trust ; 2002. Emblematic of its stagnation for Webster was the abandonment of the health centre programme, initially intended to link the local authority community services to general practice and thus a lynchpin of the tripartite structure. While acknowledging that decision-making was sometimes influenced less by measured judgement than short-term calculation, he suggests that government interventions should be understood sympathetically as policy learning through implementation.

Internal market reform of the British National Health Service

Because of their importance, some background is needed on these three authors.

British National Health Service Reform Case Solution And Analysis, HBR Case Study Solution & Analysis of Harvard Case Studies

If political shorthand abbreviates a complex history, passing over developments in patient representation dating at least to the 1960s, the central argument enjoys some support. In approaching the literature it is striking how few texts deal with the long history of the organisation, with fewer still from within the discipline. London: King's Fund, ix; 1998.
