Negative Attitudes to Lesbians and Gay Men: Persecutors and Victims

In the end, the North won on the question of slavery. Many apportion blame to the victim while excusing the actions of perpetrators.

Justifying Violence: Attitudes of American Men, 1969

· In the past year, I have learned something from someone of another religious faith. The Gallup Religious Tolerance Index Gallup developed the Religious Tolerance Index as a way to measure people's attitudes toward religious faiths different from their own. New York: Harper and Row.

Justifying Violence: Attitudes of American Men, 1969

Many of these people had faced discrimination and hardship in their native countries. Journal of Social Issues, 46 1 , 47-64. Efforts that increase the problem are stopped, even if they made sense as possible solutions.

Slavery and Racism in the Bible

Theorists may organize events sequentially, looking at the causal factors and consequences of violence, or they may organize events into abstractions—such as levels of violence or forces acting on individuals to create violence.

Views of Violence

Younger people aged 16 to 25 generally had poorer attitudes about sexual assault. This article presents a social perspective on violence that calls attention to the meanings of violence and to other social factors that promote and support or, alternatively, oppose and restrict violence. When attacks are committed by a military, Americans and Canadians find them more acceptable 47% sometimes justified than when they are committed by an individual 21% sometimes justified.
