### The Kaiser's Spy in Scotland

Previously, aerial reconnaissance was ordered by army intelligence officers of the Army Group HQ part of the structure to which the Abwehr was assigned. In October 1949, Fuchs approached Henry Arnold, the head of security at Harwell, with the news that his father had been given a chair at the in. Die Geschichte der Widerstandsgruppe um Admiral Wilhelm Canaris.

### Irish Secrets

By then, of course, it was too late. The Kaiser's Mission to Kabul: A Secret Expedition to Afghanistan in World War I. Suspicious of the cryptic German message and money that the letter contained, as well as the misuse of its stationery, the company handed it to the police.

### Klaus Fuchs

Fuchs may have been subsequently tipped off by. He noted some technical details of an order for a new 13. The unit included geologists, cartographers, and mineralogists, who were sent into North Africa to study desert topography and assess the terrain for military use, but by November 1942—following the Axis retreat from — Sonderkommando Dora along with the operating in the area, were withdrawn from the Sahara altogether.

### Secrets of German espionage / by Bernard Newman

Jessie Gunn was a member of the Wills family, the heirs to and benefactors of the. The recruits were only then informed that they were training to be residents rather than GDR-based officers. Gearing, Commandant of the 11th Naval District in San Diego.

### The Kaiser's Spy in Scotland

Overestimating their capabilities and trusting their own assessments too much, as well as underestimating their enemies especially the Soviets and the Americans, atop long-standing traditions of unconditional obedience, comprised a historically central weakness in the German system, according to historian Klaus Fischer. It was also mistakenly believed in Berlin that the Vermehrens absconded with the secret codes of the Abwehr and turned them over to the British. The date of release of this material was not stated.

### **Trade secrets under German law**

Lexington: University Press of Kentucky, 2008. Would they be willing to serve in this capacity? Not one German submarine, not one small boat, not one airplane, not one radar set, not one German anywhere detected this movement.

### **Trade secrets under German law**

In August 1944, Fuchs joined the Theoretical Physics Division at the , working under.
