### Application of the Thompson schema to the current controversy over Cuba

Away from the opinion pages, recent news coverage of Venezuela has been highly critical.

### Cuba after the Castros: Three questions

It was no surprise that the Bush Administration used an array of questionable tactics to squeeze CAFTA through Congress.

### Chronology of U.S.

The challenge continues to be creating trusted and competent legal institutions, which are necessary to generate confidence in the minds of all citizens—entrepreneurs, bureaucrats, and everyone in between—that their rights will be protected. For travel not covered by a general license, travelers must seek OFAC authorization in the form of a specific license. Doctors in Cuba spend half their time at political meetings, drawing them away from patient care.

### Chapter 15

In April, the United States declares war against Spain. Cuba is represented in the United States by the Cuban Embassy in Washington, DC. Cuba has a world-class low level of infant mortality.

### Cuba after the Castros: Three questions

What is lacking is a coherent U. Another factor, of course, is that typically these developing countries also have weak economic systems incapable of generating sufficient meaningful employment opportunities, for the young in particular.

### Application of the Thompson schema to the current controversy over Cuba

Citizens and their new leaders have pressed for genuine political representation rather than rule by a revolving door of oligarchic interests; for a tempering of untamed markets with greater concern for social justice; and for a broader distribution of benefits from valuable resources like oil and gas that have long provided windfall profits to multinational corporations. A second accord, the Reciprocity Treaty, concedes a 20 percent concession to Cuban agricultural products entering the U. Additionally, all through the grade levels they are force-fed propaganda and given grades and opportunities in accordance with their political loyalties and their parents' political loyalties.

## **Cuba**

Bernie Aronson has also noted that Latin Americans are less annoyed by U.

## **Chronology of U.S.**

In 1994, Cuba's armed forces were estimated to have 235,000 active duty personnel. Cuba also used the Congo as a logistical support center for Cuba's Angola mission. The Spanish government executes López and 51 members of his last expedition in August 1851.
