Refusenik Shaul Mograbi Berger

London and Sterling, VA: Pluto Press, 2003. Abileah threw the document into the trash can. I was ashamed to tell most of my friends why I chose to serve this way.

ISRAEL: 'Refuseniks' say they won't attack civilians

Because in this country the cost-effective analysis comparing one system to another is so lopsided, I can't blame those who choose the second. The coordinator of these discussions was anything but an innocent bystander. Nobody verified the allegations or attempted to consider the acts in the context of threats such as suicide bombers.

The First REfusenik

Whether or not refuseniks are sent to prison depends largely on the mood of their commanding officer, said Kitron, a 73-year-old who refused to serve in occupied territories. A later chapter examines thoroughly the way denial of the 1948 ethnic cleansing has been perpetuated by the peace efforts since 1967. The prison guide put out by New Profile had prepared him for the worst.

Israeli 'refusenik' and classical musician Omar Sa'ad to play seven UK concerts (30 Sept

All wars incur civilian casualties. The role of the Left, on the other hand, is to wail while sitting in their armchairs sipping wine and waiting for the Messiah to come and with a single wave of his magic wand make the Right disappear along with the settlers, the Arabs, the weather, and the entire Middle East. Our goal is not only to expose the lies, hypocrisy and bias of the billionaire class and their media: we seek to help the organising efforts of all those actively resisting the increasingly authoritarian rule of the corporate rich, here and overseas.

Personal Testimony of an Israeli Refusenik

Universal ethics and universal justice, on the one hand: peace, liberty and equality to all. We are a growing community — this is a major reinforcement to my decision.

A Long Walk for Palestinian Freedom

The Story of Yuval and Imad 29. Silences that cry out - Doron Vilner 18.
