Official Australian World War Two Histories MILITARY BOOKS

There it gained an aviation medicine section, which in 1956 was detached to form the RAAF School of Aviation Medicine later the RAAF Institute of Aviation Medicine. Thousands of Australians served in Europe throughout World War II, and the British government demonstrated a marked reluctance to release them for return to Australia even when, in the latter part of the war, many of them were surplus to requirements.

Northern Area Command (RAAF)

Meanwhile, in November 1951, No.

List of Royal Australian Air Force groups

Using two-seat Commonwealth Wirraway tactical reconnaissance and liaison aircraft, Royal Australian Air Force pilots and observers led strike flights to ground targets.

No. 77 Squadron RAAF

When the war drew to a close in Europe the R.

Royal Australian Air Force, 1939

RAAF Base Uranquinty closed on 18 December 1958, and No.

List of Royal Australian Air Force groups

This tendency is not only totally unacceptable, but also to a degree frightening. This high-level rancor and the far smaller size of the RAAF meant that the air service was fated to play a subordinate role in the Pacific war.
