## San Diego's Balboa Park by David Marshall, AIA

The San Diego Junior Theater, a program of the Old Globe Theatre, was established in 1948, performing in the Prado Theatre. Maybe it's the ocean's endless movement and renewal, but whatever the source, the spirit of experimentation extends to San Diego's arts scene.

## San Diego's Balboa Park by David Marshall, AIA

After the reservoir was filled with water and the fish were re-introduced, the Lily Pond opened once again to the public in late February, 2013.

## Balboa Park (San Diego)

While San Diego was home to just 2,300 residents back then, its leaders had the vision and desire to create an iconic park that would serve its citizens and its visitors for years to come. Coinciding with the Panama—California Exposition, the instructed 2nd Battalion of the newly established to represent the Marine Corps at the event.

## San Diego's Balboa Park by David Marshall, AIA

President pushed a telegraph button in Washington, D. The California Bell Tower and Theatrical and musical venues include the Spreckels Organ Pavilion, featuring one of the world's largest outdoor pipe organs; the Old Globe Theatre complex, which includes a replica of as well as an outdoor stage and a ; and the Starlight Bowl — an outdoor.

## Balboa Park (San Diego)

Since the Park's master plan already called for removing the 67-space parking lot from the Plaza de Panama, the city went ahead with that portion of the proposal removing all parking from the plaza and converting it into a pedestrian area with tree planters, seats, and tables. Other attractions in the area included a children's park, walking trails, and a redwood bird.

## Balboa Park (San Diego)

The Science and Education Building and the Home Economy Building were demolished to make room for the expansion of two new wings for the. Today the park is the center for arts and culture in San Diego and is recognized by the State of California as one of its 14 cultural districts.
