Islam, islamische Kulturzentren und Moscheen in Lettland

The name Zandj is applied by the Arabs to the black Bantu negroes, who are sharply distinguished from the Berbers and Abyssinians.

Géographes d'al

Le particulier prime sur un général déjà connu. Integration, at various rates, is taking place throughout the whole of society at a national level, and within ethnic groups, so that ethnic communities with more or less clearly expressed national characteristics are slowly consolidating.

QA. vi [6] Sūrat al

In remembrance of genocide against the Armenian people in 1915, a stone cross, or hachkar stands on Basteja Boulevard in the centre of Riga, unveiled on 24 April 1990. Il lui demanda de lui envoyer des artisans spécialisés pour construire la mosquée et les bains publics.

Baḥr al

Up to 1917, the population of southerners and easterners in the territory of Latvia was growing, albeit slowly.

QA. vi [6] Sūrat al

However, their cultural life was incomparably more active.
