### The Wonderful Wizard of Oz by L. Frank Baum

Today, however, they were not playing.

### 10 Wonderful Facts (Some Surprising) About the Wizard of Oz

Voto: 8 Once upon a time there lived a Golden Age gay icon, who whiled away her pre-waxing years sitting atop a split-rail fence in some dour, nondescript American Midwest landscape.

### The Wizard of Oz (1939 film)

It was one of the best children's classics that I've ever read and I even loved how it wasn't that similar to the movie, so it kept me interested.

### The Wonderful Wizard of Oz (book)

In this half Dorothy and Toto ride in their house is carried in a cyclone from Kansas to Oz. It is fortunate for Kansas that you have brains.
