The Missionary Movement in Christian History: Studies in the Transmission of Faith.

Moreover, this non-western historical bias is displayed specifically in the theological understanding of conversion. Each time the Word of God is mined for responses to a different culture, the Church develops a theology which is far richer than what it had inherited.

Andrew Walls and the Transformation of Christianity

Willis James Professor of Missions and World Christianity at Yale University Divinity School. .

The Missionary Movement in Christian History (1996) Andrew F Walls Theology PB G

The idea of cultural transformation by the gospel is not new. Their understanding and conduct were reoriented and saturated with a new moral code and perspective.

Andrew Walls on The Missionary Movement

Walls is neither naive nor apologetic.
