However, the growing tourist traffic to Newfoundland would indicate that the charms that captivated the Mowats still exist today.

Newfoundland outport

Some Newfoundland outport fishing stages remained in 1971, after fresh fish markets had reduced the need for the drying platforms. Short tear to the top edge of the front flap fold. Some outports also depended upon shipping.

Down Memory Lane: Outport people

The goal is to treat the symptoms and help slow the progression of kidney disease. Smaller outports were often uniform in their Christian denomination, which sometimes meant that neighbouring outports consisted of people of different denominations.
