Glastonbury and the last Abbot of Glastonbury ~ Roberta Eaton

From 1904 to 1979, at least 36 excavations were completed, but much of that material was lost or never published.

Glastonbury Town

Until it was dissolved in violent fashion, the abbey had massive landholdings around Somerset and its impact can still be felt today. The choir was 155 feet 47 m long and the transept was 160 feet 49 m long. Tickets go on sale as early as October, eight months before the event takes place at the end of June, while the lineup is normally announced around February.

Legends of Glastonbury Abbey

And what stories are greater than those of King Arthur and his knights of the round table? An introductory, exploratory meeting is held, and both parties decide whether or not to proceed. Saxons under conquered Somerset as far west as the , perhaps with the intention of gaining control of the abbey.

Appearances at the Abbey

As happens every year, the Mayor, Town Clerk, Macebearers, Town Councillors and myself are invited to attend two big Pilgrimages. Turstin also spelled Thurstin or Thurston , the first Norman abbot at Glastonbury, rebuilt the stone church and instituted some new rules including new prayers in a new language.
