Or you can use a short rope to tighten the tape to the tree branch.

## LED Rope and Strip Lights â€“ Birddog Lighting

Amazingly, this model can be set up on the ground, on a tree branch or any high spots in my yard as long as the surface is relatively flat and wide enough. This device would blow your mind and make your life more comfortable without cleaning stingy bird waste every day. Or in windy

weather, a long thin scare tap would be easily torn apart and fly away.

### **LED Strip Lights**

This is a 45 centimetres tall decoy, which simulates an owl landing on a dried log and watching down. Yet these are an attractive decoration to any garden.
