The families, as was common in the French aristocracy, frequently intermarried. The distal phalanges of the fingers undergo acro-osteolysis fragmentation and re-absorption, causing them to be unusually short. His style was also influenced by classical Japanese wood prints, which became popular in art circles of Paris.

The Musée Toulouse Lautrec owns the most extensive collection of his works. This was a new approach: prior poster artists like Jules Chéret had typically chosen to idealize their subjects, producing a selection of stereotyped figures, such as a generic dancer, singer, or acrobat, that they would then use for a variety of different commissions. In A Club in Montmartre, renowned writer Mike Resnick imagines the lonely artist meeting a starving waif, Dany, at the famous Moulin Rouge.
