אריאל, ישראל [WorldCat Identities]

The book of Joshua portrays Israel's obedience as not merely an unattainable ideal or a thing of the past, but a living reality that unfolds when YHWH's people acknowledge His claim upon them and strive to serve Him. Though the book of Joshua was largely ignored and reviled by diaspora Jews, the leaders of modern Israel have invoked it to promote national cohesion. The Joshua Generation examines the book's centrality to the Israeli occupation today, revealing why nationalist longing and social reality are tragically out of sync in the Promised Land.
