Why Believe in God?

And surely were science falters and extrinsic evidence fail, reason and intrinsic evidence can prove the spiritual which can not be measured by material sciences. Not long ago I came across some articles about past lives and the stories of children born after 911 who shared the memories of people who had died in the twin towers that day. A cop or prosecutor can theoretically be fired when they screw up.

Why I Believe in God

Richard Taylor, Ethics, Faith, and Reason Englewood Cliffs, N. We love God and those around us by extension because God first loved us. Since God is a higher order of being, he is likewise the very quintessence of a personal being.

Why You Should Believe in God

All multiverse theories fail to escape an absolute beginning, for the multiverses themselves must also have a beginning as it an established scientific fact that any universe that is expanding must have had a moment of initial singularity, a beginning.
