He gave very few interviews and was, according to Akira Kurosawa, a very self-assured director who did everything himself on the set. Her maternal feelings are further borne out when she is injured diving in front of an oncoming car which threatens to hit her daughter as she stops to pick up her doll in the middle of the road.

When the subject of his missing left arm was brought up, Shanks replied that he bet it on the new age.

Sanezumi Fujimoto

At some point, the two grew to respect each other, and Whitebeard was one of those Roger met shortly before his death to say goodbye. While some actors, such as Sugimura Haruko, were able to escape its limitations, others were bound to a certain characterization that was sustained in the off-screen discourse of tabloids and film journals. Naruse continued to direct for most of the 1960s, his final film being *Midaregumo Scattered Clouds*, released in 1967, an acclaimed drama about a young widow forced by circumstances to work as a maid in a Japanese inn owned by relatives in Hokkaido.

Three Japanese actresses of the 1950s: modernity, femininity and the performance of everyday life.

A retrospective of the films of Mikio Naruse, organized by the Cinematheque Ontario in Toronto, is currently playing at Film-Forum in New York and at art houses in Madison, WI; Santa Fe, NM; Los Angeles; and Berkeley, CA. Takamine's appearance was indeed quite versatile, and unlike Hara, her star-image was not dependent on beauty, although there is no shortage of glamour shots of her in the magazines and film posters of the time.
