## Caring for an Aging Nation

The most frequent approach is to define the disabled elderly as those individuals who require assistance with basic Activities of Daily Living, commonly referred to as ADLs. The demands of caregiving appear to be taking a toll on family members on the front lines of supporting older adults.

## Important IRS Tax Tips for Family Caregivers

Your MS provider will work with you to manage your MS-related issues, but does not have the expertise or time to manage other conditions.

## Assisted Living Options for People With Disabilities

This begs the question, who is at risk for adverse outcomes as a result of caregiving? Caregivers described learning by trial and error and feared making a mistake.

## Important IRS Tax Tips for Family Caregivers

In NSOC, 20 percent of all caregivers and 39 percent of high-need caregivers reported that providing care was physically difficult.

## Disability & Health Information for Family Caregivers

However, if an employee requests that federal income tax be withheld, an employer may do so. Certain types of disabilities, or medical conditions, have also been associated with increased risk of nursing home admission.
