The Pageant of Summer by Richard Jefferies, Paperback

Green rushes, long and thick, standing up above the edge of the ditch, told the hour of the year as distinctly as the shadow on the dial the hour of the day.

Pageant of Summer

Beyond it is an oak, just apart from the bushes; then the ground gently rises, and an ancient pollard ash, hollow and black inside, guards an open gateway like a low tower.

Laura Ingalls Wilder Pageant

Among those seeding bluebells and dry twigs and mosses I think a titlark has his nest, as he stays all day there and in the oak over. In cooperation with South Dakota Public Broadcasting, we broadcast via Facebook LIVE and on SDPB TV and SDPB Radio with a reprised broadcast in late December 2020. It has been a very challenging year for everyone, especially the arts community, and we are overjoyed and feel blessed to have arrived at this moment.

It was life to breathe it, for the air itself was life. No longer does the immense weight of Matter — the dead, the crystallised — press ponderously on the thinking mind.

Pageant of Summer

On the wings of the dragon-fly as he hovers an instant before he darts there is a prismatic gleam.

The Pageant of Summer by Richard Jefferies, Paperback

No longer does the immense weight of Matter—the dead, the crystallized—press ponderously on the thinking mind. As I write them, so these

things come — not set in gradation, but like the broadcast flowers in the mowing-grass.

“The Pageant of Summer” by Richard Jefferies

The hawthorn overhangs it, the fern grows by, red mice rustle past. Rising from brown sheaths, the tall stems enlarged a little in the middle, like classical columns, and heavy with their sap and freshness, leaned against the hawthorn sprays.
