### EU programmes with relevance to persons with disabilities

In Transcending the boundaries of law: Generations of Feminism and Legal Theory pp. The first case concerned an allowance payable to disabled people in the United Kingdom, the mobility allowance. In addition, a crossreference table on changed article numbers is provided in section H.

### The UN Convention on the Rights of Persons with Disabilities

At the national level we have to continue lobbying for non-discrimination legislation where this has not already been introduced. Our research confirms that neither of these assumptions is correct. E EU institutions on the Treaty outcomes - reinforcing institutional change E 1.

### The UN Convention on the Rights of Persons with Disabilities

Review of International Political Economy 26 3 , pp. The services provided varied greatly across the different host countries.

### EU programmes with relevance to persons with disabilities

What were the qualifications of those assistants, were they prepared to provide communication support to deaf children, particularly in light of the fact that Italian sign language was not officially recognized? It is generally admitted that the Commission could take action immediately to achieve the objective set out in the declaration if it so wished.

### Disabled persons

Among the other parties attaching reservations, understandings, or declarations to their ratification or accession were the , , , , , the , , and many others. According to the petitioner, on 18 May 1993 the social court ruled in his favour and ordered the LVA to pay the pension in accordance with 'new European legislation'.

## **Convention on the Rights of Persons with Disabilities**

The White House: Barack Obama.

### **Disabled People's Vulnerability in the European Single Market: The Case of Consumer Information**

And if the cues are taken seriously and internalised within states, then that informs the reform process going forward.

### **Disabled People's Vulnerability in the European Single Market: The Case of Consumer Information**

At the sitting of 20 September 1996 the President of the Parliament announced that, at the request of the Committee on Petitions, he had asked the Committee on Legal Affairs and Citizens' Rights and the Committee on Social Affairs and Employment for their opinions. Experts hailed Italy for producing musical sheets in accessible formats, and asked about steps taken to ratify the Marrakesh Treaty.
