Guide to the Whitsunday Islands and Great Barrier Reef

The sparsely populated and untouched wilderness area is defined by rugged coastline fringed by the coral gardens of the Great Barrier Reef. From above, you'll not only marvel at the pure turquoise waters, but also see the composition of coral that has naturally shaped itself into a heart. Here all you find are fabulous white sandy beaches, secluded bays, radiant marine life in the shallow tropical waters, dense green pine forests and heavenly peace, of course.
