McGraw

Despite the commitments and investments that they had already made, this activity allowed the project manager to work more closely with the sponsor to ensure that the scale of the change was fully appreciated. Planning is an iterative activity.

Supermanaging : how to harness change for personal and organizational success : Brown, Arnold, 1927

Once this work is complete, project teams will then need to employ the process in their particular work stream within the program.

Return of a Rebellious Spirit: Whiskey Distilling and Heritage Tourism in Southwestern Pennsylvania

Even during difficult times, maintaining a sense of humour can help both you and others to put things into perspective and avoid getting caught up in anger or anxiety. Transformation should be at the foundation of every leadership plan.

The Strategic Management Response to the Challenge of Global Change

Indeed, the emphasis on anticipating the needs of stakeholders is a critical component of external analysis. Also, we would appreciate your sending a note as to how you are using it.

Importance of leadership for Organizational Excellence

A dual benefit of performance evaluation is that it subjects the strategic plan to discussion and testing in the context of the real world.
