## **An Illustrated History**

A decision was taken in 1935 to shorten many of the M1886 M. Chinese sources state that these rifles were made in China for Japan, but for whom it is not known. Skennerton, 1982 Rifles of the World, J.

## **The American Rifle.**

It shot wonderfully and was an easy gun to learn handgun shooting, but the long barrel made it ungainly to carry.

## **Type 38 rifle**

. Moreover, they each had handguns strapped to their waists and rifles on their saddles. Although total production is unknown, it is estimated to have approximately 100,000 converted.

## **The American Rifle.**

Today the name Deringer is commonly associated with small, concealable handguns.

## **Firearms**

I am not sure the exact chain of ownership from there, but assume the rifle came into the possession of the Steunenberg sisters and passed into the hands of my Crookham kinfolk through the marriage of our families.

## **Amish Rifle disarmed and dismayed**

A distant rifle which fires a bullet would be sensed to hit a target next to us befor. Although these alternative rifles were initially intended for mobile

assault fire, both models became more or less exclusively used as stationary light machine guns due to their higher weight and caliber.

### **An Illustrated History**

National Library of Medicine, National Center for Biotechnology Information, U. I guess this is guns week, so in addition to the Bob Meldrum and Harry Orchard Colts discussed in the immediately preceding posts, we might as well cover Frank Steunenberg's Savage Model 1895.

### **Idaho Meanderings**

These complement the author's extensive research and admirable exposition of the story. Clarence Darrow for the Defense by Irving Stone.
