Beyond the culture wars : how teaching the conflicts can revitalize American education / Gerald Graf...

I took turns with a few other parents ferrying a group of kids to and from school.

Philosophy of education

Their freewheeling playground scrums often led to good-natured insults, wrestling matches, outraged feelings, an occasional punch, then reconciliation, until the next day. Unless we develop comfort with culture as an integral part of conflict, we may find ourselves tangled in its net of complexity, limited by our own cultural lenses.

The Conflict Perspective on Education

These are just some of the ways that taming conflict varies across cultures. We also need to encourage a commitment to civility and respect in public life and communications -- in the news media, politics and even ecclesial dialogue.

Beyond the Culture Wars: How Teaching the Conflicts Can Revitalize American Education.

They continue to offer moral and ethical foundations, discipline and safety for millions of children. Students in academically advanced tracks study higher mathematics, more foreign languages, and literature. These divisions went far beyond cotton and economics.

□□□□

During the Covid-19 pandemic, new types of conflict are arising. In politics, identity is an appeal to authority—the moral authority of the oppressed: I am what I am, which explains my view and makes it the truth.

Beyond the Culture Wars: How Teaching the Conflicts Can Revitalize American Education by Gerald Graff

Two years later we transferred him to a public kindergarten.

Where signs had once said boys and girls, they now said students. At a time when heroes seem scarce, these people are real heroes and heroines, committing their lives to the service of others, standing against a tide of violence with values of peace and a commitment to justice. To hear more feature stories, or Our son underwent his first school interview soon after turning 2.

Beyond the Culture Wars: How Teaching the Conflicts can Revitalize American Education.

All of us must make a contribution. Navigating the strike required a flexible schedule and a car, and it put immense pressure on families.
