### LockdownLowdown: phase 3

Below are the results ranked in order of preference by the young people: 1. Some kids cannot afford to use the new sports facilities and some kids just want a green space to kick around in.

### Scottish Review: Scottish Schools' Young Writer of the Year Report 2020/21

There are currently over 16,000 looked after children in Scotland and the majority will come into one of the following categories: Looked After at home Where the child or young person has been through the Children's Hearing system and is subject to a Supervision Requirement regular contact with social services with no condition of residence.

### The impact of children and young people's participation on policy making

Peter Peacock said that we should engage and listen. Action 15 stated that ' Each NHS Board will assess the physical, mental and emotional health needs of all Looked After children and young people for whom they have responsibility and put in place appropriate measures which take account of these assessments. I hope that during the recent election politicians have all been exposed to some of the views of young children.

### Fair Start Scotland

I felt that the young people were continuing to learn and to understand their difficulties.

### LockdownLowdown: phase 3

The revised guidance is due to be published in early 2013.

### Young People: 5 Jun 2003: Scottish Parliament debates

I live near Dungavel, which is now an asylum seeker detention and removal centre. The fourth, the Act stage, took place on Wednesday 3rd March from 4-7pm. Scotland needs to attract immigrants, and the SNP considers there to be a need now for a positive immigration policy for

Scotland.

### **Scottish Employer Perspectives Survey 2019: research report**

Offending Preventing Offending by Young People - A Framework for Action , launched in June 2008, reflects a new approach to dealing with young people who offend, or who are at risk of offending, and aims to deliver better outcomes for children and young people who offend. All pupils who took part in the competition, whether awarded or not, should be immensely proud of taking up this challenge during a year of such uncertainty and upheaval. Fiona MacDonald: A coming-of-age paper in which the author acknowledges a life of someone beyond being 'just' mum.

### **(PDF) The Scottish case study focuses on the work of HeadsUpScotland because of its role in Scotland's efforts to build social cohesion for mental well**

Gillean Somerville-Arjat: This is a profoundly felt and consistently well-written account of what it feels like to suffer from a condition that peers consider 'ugly' at a time in their lives when teenagers, both male and female, are deeply concerned about how they look. Noting this in early April 2020, APiC sought funding for a Covid-19 Project with Scottish Children and Young People.
