It affects both males and females. But there are also activities that satisfy his criteria for exploitation that do not seem intuitively unfair. Our preferences simply differ, and so it is possible for us to both walk away from the deal believing—correctly! Child Exploitation Laws Child exploitation laws in the U.

## Exploitation

Certain paradigmatic cases of exploitation clearly fit this analysis. Nevertheless, the transaction is one from which both parties emerge better off relative to how they would have been, had the transaction not taken place. Other exploitation theorists have made similar claims.

## Exploitation

Intuitively, it seems possible for individuals to treat each other exploitatively even within a just distribution of property; and it likewise seems possible for individuals to treat each other fairly within an unjust distribution of property.

## Child Exploitation

In contrast, there is much less agreement regarding those conditions that render a transaction substantively unfair.
