Nice area handy for the shops with opportunities for travel and hobbies, maybe a little part time job as a spirit guide just to keep one's hand in.

**The Etheric World.**

But I don't know and its not something I fancy but each to their own.

**On the Edge of the Etheric: Survival After Death Scientifically Explained by Arthur Findlay**

Unequal tanning to endpaper corresponding with jacket flaps. Hgher sorts can come into Summer Land in same way spirits can come to us BUT Summer Land people can' just pop into higher spheres on a whim. Please Spirit it'll be many a year yet but if we don't get chance to meet this side you must all pop round to mine in Summerland.

**On the Edge of the Etheric: Survival After Death Scientifically Explained by Arthur Findlay**

She's up to date on latest ideas on this side but still a bit old fashioned in her way. These etherians are men and women, not vaporous spirits, but real, vital and tangible people, such as we mix with every day.

**On The Edge Of The Etheric**

In his SOL course, W. This book was published in 1931, so I was impressed at Findlay's grasp of concepts which are being advanced by

quantum physics today. Working with the chakras and these spiritual energies can play a big part in the psychic development and enlightenment of those sensitive enough to work on these levels.
