## National Weather Service

This lesson plan requires kids to match the weather symbols to words.

## Met Éireann Forecast

Tang, University at Albany, State University of New York Richard L.

10

A high pressure system is represented as a big, blue H.

## Met Éireann Forecast

Weather Fronts What is a front? Look for: Sharp temperature changes over a relatively short distance, change in moisture content, rapid shifts in wind direction, pressure changes, clouds and precipitation patterns. An occluded front is a combination of two fronts that form when a cold front catches up and overtakes a warm front.
