American Journeys: Catlin's North American Indian Portfolio

Robinson, Newport, RI, after 1898; to her daughter Elizabeth Robinson Cushman Mrs.

American Journeys: Catlin's North American Indian Portfolio

During the 1830's, Catlin gathered artifacts and turned his sketches and recollections of the prairie into paintings.

American Journeys: Catlin's North American Indian Portfolio

Each print is in NFcondition with a small wrinkle in the top right margin, not affecting the image. His purpose was both unselfish and romantic.

American Journeys: Catlin's North American Indian Portfolio

Catlin believed his work was vitally important and worried what would happen to his collection after his death. The lithographs ranged from portraits to tribal ceremonies, from the anecdotal to the idealized. Buffalo Hunt, On Snow Shoes.

American Journeys: Catlin's North American Indian Portfolio

Small spots of light staining to the paper in the upper left and lower right margins. This is done by Penn Prints New York.

Briscoe Western Art Museum to exhibit rare images of American Indians

These are all in excellent condition and printed in the early 1900's. A selection of the greatest of images from this record were published in the North American Indian Portfolio in an effort to reach as wide an audience as possible.
