DreamBox

Make sure you have 2-3 strong men to get it upstairs. Also, the grey color gives a modern impression to the cabinet.

Cabinetworks Group

Actually it was changed but now noted on the instructions. It has helped me be more organized than I ever have been in the past.

Nine

I do this because I place trust in the cut list generated from a 3D modeling program called and you'd do well to download this wonderful program. I ordered the two side tables to go with it and I am glad I did. The design of the bookcase features a plinth base, adjustable shelves and decorative moldings.

Courses Offered

Several steps do require 2 people, but none of it was particularly hard. But it took 12 hrs for 2 very well skilled people to put together and another 4 hrs to finish pegs for shelving. I was also disappointed with the magnetic sheets that are advertised to cover the swing doors in order to hold dies , they don't completely cover the doors and lots of space is wasted.

Craftaholics Anonymous®

With it in hand I can easily cut all the parts for an entire set of average kitchen cabinets in two hours and never once question the accuracy of the dimensions. I highly recommend the CreateRoom

Thomasville Cabinetry

I enjoyed every minute of it. It is fairly easy to assemble if you have experience assembling furniture. Cabinets are a must have in any house.

Craft Cabinet

Here are some other free resources that you can make use of as well.
