## Write Online: Reflective Writing Writing Guide

Eva, Mercedes, me and Dan before our 2nd day of walking. This is the stage in which the solution to the problem would actually be put forth to the public so it would resolve or in many cases make the problem much more easy to live with. It is also no secret that the dismal state of the rule of law in the country does not inspire confidence in the citizenry to seek protection through the law.

## Merceda's Reflections is a : May 2013

Doctors and Nurses are often faced with legal, professional and ethical issues relating to health care. Then there is the constant cacophony of voices articulating various ideas and demands.

## Reflections on a Journey

Education must address the individual as part of society and impart the necessary values and skills to strengthen that relationship.

## The Baptism of the Lord, January 10, 2021 — CC@S

Soon after we reached the foothill near the shore to set off our journey for the island, we could spot an island on the other end with no sign of human habitation, while no boat was in sight.

## Social Issue Reflection Paper

Now, my group mates are good friends to me as well. While they exist in their present foul shape, it is idle to congratulate ourselves about anything. See the pic for him modeling the lovely nose-warmer she crocheted him.

## Tuesdays with Meltem: Reflections on the Journey Thus Far

We have been baptized into the Spirit of Jesus, a Spirit of power expressed in service that may require much personal sacrifice.

**“We the People”: Reflections on Governance and Civic Engagement in Sri Lanka**

I wish that I had had the foresight to extend it. She not only meets with the families, but she also makes home visits.
