National Construction Contracts and Law Report 2018

The environment is available 24 hours a day, seven days a week, so you can tailor your learning to your life. What are the aims of criminal law? The Legal Studies major is under the academic supervision of the School of Law faculty.

ERIC

But since, she already had a choice and decided to exercise it rationally, we cannot argue that there has been any legal violation. Surveys are flexible in the sense that a wide range of information can be collected.

Legal research methodology

Agreements with employees and other businesses.

Studies, Reports & Publications

The course requires a comprehensive legal analysis of a legal topic that culminates in the writing of a substantial research paper. The intent of the program is that courses be framed with this perspective. Legal Studies students must attain a 2.
