Social

I feel like most people are missing the point. The situation described here seems unfavorable and presents limitations to shaping, implementing and carrying out social accountability for health service improvement.

Understanding the local context and its possible influences on shaping, implementing and running social accountability initiatives for maternal health services in rural Democratic Republic of the Congo: a contextual factor analysis

These rules are transmitted from one generation to the next and are often adapted to the times and locale. San Antonio, TX: Intercultural Development Research Association.

SOCIO

The effects of a simulation on the racial attitudes of third graders were examined by Weiner and Wright 1973. While socio-economic context clearly influences the effectiveness of some of the social marketing models, program maturity and the size of the target population appear equally important.

Chapter 27. Working Together for Racial Justice and Inclusion

Ogbu, a primary contributor to this view Ogbu, 1978; Ogbu and Matute-Bianchi, 1986 , has focused on how societal forces have contributed to socialization and acculturation patterns that ultimately influence minority students' academic achievement.

Social

It therefore continues to represent official United States policy on government population control, and is.
