. With the relative demise of projective tests in the study of the Aboriginal came the development and deployment of new, more sophisticated techniques based on very different principles.

## Aboriginal Health in Canada: Historical, Cultural, and Epidemiological ...

Toronto: University of Toronto Press, 2004. Using interdisciplinary methods, the author critically assesses the enormous amount of information that has been generated on Aboriginal mental health, deconstructs it, and through this exercise, provides guidance for a new vein of research. Prepared for the Aboriginal Healing Foundation.

## **Aboriginal Health in Canada: Historical, Cultural, and Epidemiological ...**

» *Scientia Canadensis*, volume 30, numéro 1, 2007, p. Book Reviews: Medicine Comptes rendus : Médecine Revenge of the Windigo: The Construction of the Mind and Mental Health of North American Aboriginal Peoples. What do we think we know about North American Aboriginal mental abilities, mental health, and mental illness, and on what basis do we think we know it? To better understand how this knowledge emerged, James Waldram undertakes an exhaustive examination of three disciplines - anthropology, psychology, and psychiatry - and reveals how together they have constructed a gravely distorted portrait of the Aboriginal.

### **Mental Health**

*Scientia Canadensis*, 30 1 , 128—130. Paul, MN: Minnesota Historical Society Press, 2001.
