### Cultural Property Theft

For this purpose, each of the Protecting Powers may, either at the invitation of one Party, of the Director-General of the United Nations Educational, Scientific and Cultural Organization, or on its own initiative, propose to the Parties to the conflict a meeting of their representatives, and in particular of the authorities responsible for the protection of cultural property, if considered appropriate on suitably chosen neutral territory. The Rabbinic Bible, published between 1516 and 1517, is a manuscript that includes an Aramaic summary and a series of commentaries by key medieval rabbinic scholars.

### The Appropriation of Aboriginal Cultural Heritage: Examining the Uses and Pitfalls of the Canadian Intellectual Property Regime

The rising number of fakes and forgeries has worsened with technology.

### Convention for the Protection of Cultural Property in the Event of Armed Conflict with Regulations for the Execution of the Convention

Harris handmakes miniature versions of chuck wagons and stagecoaches. Paul Jett, lead scientist and conservator at the Smithsonian Institute, as dating to 2000 B.

### Offences relating to Cultural Property

He has maintained that his criminal inclination stemmed purely from a passion for the objects that fell victim to his sticky fingers.

### Heritage Properties

The agency often investigates leads to art and artifacts that are important evidence of another nation's history and cultural heritage. And what she did turned what could have been an intriguing art theft caper into a tragedy. The Fate of Cultural Property in Wartime While most people are familiar with the history of World War II, many are unaware of the fate of art in the European theater during the war.

### International Day against Illicit Trafficking in Cultural Property

Since World War II, the world has seen modifications to military rules of engagement and the ratification of several legal instruments, all designed to protect cultural property, particularly in conflict. Remnants of ancient Cuneiform tablets, which were seized by the Customs Service in 2001, were recovered from beneath the ruins of the World Trade Center in 2001 and will be restored in Iraq.

### **Cultural Property, Art and Antiquities Investigations**

The thieves made their selection of objects rapidly and fled the scene in under five minutes before the police could arrive, indicating that significant planning must have gone into the robbery.
